Travel | Trekking | Tech Events | Music | Photography | Cooking | Guitar | Chess

EDUCATION

EPITA, Le Kremlin-Bicêtre, France - *Msc in Software Engineering*
September 2022 - July 2023

Kathmandu Engineering College, Kathmandu, Nepal -   *B.E in Computer Engineering*
June 2010 - July 201

WORK EXPERIENCE

Veepee, 249 Avenue du Président Wilson, 93210, la plaine st-denis, France
FullStack Developer (Java/React)
October 2023 - August 2024

- Developed and delivered full-stack features (Java Spring Boot, React) for the Supply Chain Management team, including custom visual data graphs for enhanced business insights.

- Utilized REST APIs, gRPC, Docker, Kubernetes, deployed on GCP with ArgoCD, and integrated Grafana, Prometheus for monitoring, with Kafka, Apache Beam, and Airflow for data streaming and pipeline management.

UBA Solution, Lalitpur, Nepal
Sr. Software Engineer (Java)
May 2021 - September 2022

- Developed REST APIs for microservices in the Fonts inventory and pricing services using Spring Boot for MyFonts.com.

- Built ETL workflows for large-scale data transfer to Shopify using Node.js, Python, Algolia, Docker, Shopify API, RabbitMQ, Airflow, AWS, achieving a 90% data migration target in an Agile 5-member team.

Cogent Health, Lalitpur, Nepal
Software Engineer
November 2019 - May 2021

- Worked as a Full Stack Developer (Java, Vue.js) on a Health Management System, building features like patient services, billing, inventory, OPD, and doctor services, utilizing microservices with Eureka and API Gateways.

- Collaborated in a 4-member cross-functional team, successfully deploying the system to over 10 hospitals in Nepal, contributing to its competitive performance and ongoing feature development.

Innology Solution, Lalitpur, Nepal
Junior Developer
August 2017 - April 2019

- Gained experience working on small to midsize enterprise projects at an outsourcing company, utilizing Vue.js, HTML, CSS3, and PHP Laravel framework.

- Successfully completed over 7-10 projects, consistently meeting fresh requirements by following clear instructions from the manager.
